b) The Credit Card

1. (a) This document is important. It governs your use of the Credit Card. You must not use the Credit Card in a way that breaks this Agreement. We must observe Consumer Credit Law in our dealings with you.
(b) The Rates, Fees and Charges Table and the Card Carrier form part of this Agreement.
2. The Credit Card belongs to us. This means we may take it back at any time. If you are asked, you must return the Credit Card immediately to us.
3. The Credit Card and its PIN are only to be used by you. We see use of the PIN with the Chip Credit Card as proof that you personally carried out the transaction(s) or were in breach of Clause 6(ii) and/or Clause 24 (a), (b) or (c).
4. If you are a Principal Cardholder you must be at least 18 years of age and accept that you will be fully liable for all transactions on the Account, including those made by a secondary/additional cardholder on the Account.
5. The Bank may at any time cancel or refuse to renew the Credit Card.
6. You must;
 - (i) sign the Credit Card as soon as you receive it from us
 - (ii) You must keep your PIN and 3D Secure Password a secret, memorise it, and take all reasonable precautions to prevent anyone else knowing it or using it. You should never write down the PIN or the 3D Secure Password
 - (iii) always protect the Credit Card. Take all reasonable precaution to ensure the Credit Card is not lost, mislaid or stolen
 - (iv) not go over the credit limit assigned to you
 - (v) not assume that you can continue to use the Credit Card if you have broken any of the terms and conditions of this Agreement (you should return the Credit Card to us if you have)
 - (vi) not use the Credit Card before the "valid from" date or after the "until end" date shown on it
 - (vii) not use the Credit Card if we cancel or withdraw it
 - (viii) never use your Credit Card as payment for anything illegal.

Credit limit

7. We will not increase your Credit Limit unless you request an increase but reserve the right to decline any such request. We may reduce your credit limit at any time if:
 - (a) you breach any of these terms and conditions or
 - (b) we give you 2 months' notice in writing.

If your Card is used for a transaction which would bring the outstanding debit balance in excess of the Credit Limit, we reserve the right to authorise or decline such transactions.

c) How your Account works

- This Part (c) of the Agreement applies to you if you are a Principal Cardholder only.
8. We open a Credit Card Account (the "Account") for you where you are a Principal Cardholder. We record all of the transactions including purchases and cash advances carried out with the Credit Card and any Additional Cards on the Account. We deduct interest, fees, charges, Government Stamp Duty and any other amounts concerning the Credit Card from the Account.

Interest

9. (a) Interest Rates. The rates of interest which we will charge you are set out in the Rates, Fees and Charges Table. If you owe us interest, we will show you the interest rates and the amount you owe us in your monthly statement.
(b) Interest Free Periods. If you repay us everything you owe us on the Account as shown on a monthly statement by the payment date we specify in the monthly statement, we will not charge you interest on any purchases or cash advances shown in that monthly statement. Otherwise you forfeit the interest free period and we will charge you interest, including interest on each purchase, cash advance, unpaid cash advance fee and cross border handling fee from the date of the transaction. We charge such interest at the rate we show you on your latest monthly statements. This rate may differ from the rate in force on the date of the cash advance or purchase.
(c) Accrual/Payment. Any interest you owe us accrues daily and we will debit accrued interest from the Account monthly.
(d) Balance Transfers. We charge a reduced rate of interest (the Balance Transfer Rate) on balances you owe to another credit card provider and which you transfer to the Account with our agreement. The Balance Transfer Rate applies in the period which we show in the Rates, Fees and Charges Table. Once this period ends, the standard interest rate for purchases will apply to any part of the transferred balance which you still owe us. The period in which the Balance Transfer Rate applies starts on the date we open the Account. If you transfer a balance after that date, the Balance Transfer Rate will apply for the part of the period (if any) which remains. We may vary the rate of interest for a Balance Transfer but it will always be below the standard interest rate we charge for purchases.

Statements and minimum payments

10. (a) We will provide you with a Statement at an agreed frequency, generally monthly. Additional Cardholders do not receive Statements.
- (b) Once your Account is registered for 365 Online, you will be provided with eStatements for your Account and will not receive paper copies of documents or statements for your Account. If you request a paper copy of any statement a duplicate fee may be applied.
- (c) You agree that any obligation to provide you with documents or Statements in these terms and conditions or any other terms and conditions agreed between us, shall be satisfied when we provide you with the relevant eStatement or make it available to you.
- (d) Your eStatement can be viewed by you and will be stored by us in accordance with your Banking 365 terms and conditions.
- (e) We will send an email notification to you to the email address you have provided for 365 Online when a new eStatement is available. It is your responsibility to update your email address if it changes. You can do this on 365 Online.
- (f) You can at any time opt to be provided with paper documents and statements by editing your preference on 365 Online after which documents and/or statements will be issued in paper. You will need to individually select each account for which you want to receive documents and account statements in paper form.
- (g) Once an account is registered to receive documents and accounts statement in paper form you will continue to receive eStatements for that account. Your paper documents and statements will be provided at the same frequency as eStatements.
- (h) The minimum sum due for payment by you is specified on each Account statement. The minimum sum is the outstanding balance shown on the statement if less than €5 or the greater of €5 or 2.5% of the outstanding balance. You must pay this or more to the Bank within 25 days from your statement date. Failure to maintain monthly minimum payments may result in your Card and the Credit Card(s) of any additional cardholders being declined for further authorisations and no longer accepted for purchases or for use in any ATM. We will also be entitled to charge you a Late Payment Fee in the amount set out in the Rates, Fees and Charges Table.
- (i) Statements will not be issued where (i) no payment is due by you and (ii) the Account has a credit balance of €5 or less.

Payments to your Account

11. (a) We will only consider a payment made when it is received by us and credited to your Account. We will apply payments towards what you owe us in the following order:
- (i) Any monthly payment due to us under a Instalment Plan (oldest first)
 - (ii) Cash advances shown on previous statements or latest statement
 - (iii) Interest on cash advances
 - (iv) Cash advance fees
 - (v) Annual Fees
 - (vi) Insurance premiums
 - (vii) Account Fees and charges other than annual fees and cash advance fees
 - (viii) Interest on any fees and transactions, which you have not paid when due to us, excluding interest on cash advances
 - (ix) Purchases shown on previous statements or the latest statement
 - (x) Balance Transfers
 - (xi) Transactions and amounts you owe us that have not yet appeared on your statement in the same order as above
 - (xii) Amounts owing but not yet due under Instalment Plan (oldest first)
- (b) The proceeds of any cheque lodged to the Account in any currency other than euro will be converted to euro at the exchange rate determined by the Bank on the date such transaction is credited to the Account. The charges which apply are shown in the Rates Fees and Charges Table. If the cheque is later returned unpaid, it will be converted back to the original currency at the exchange rate determined by the Bank on the date such transaction is debited to the Account. The Bank will not be responsible for any losses incurred.
- (c) Where you have a direct debit set up to make payments to your Account and you make other payments to your Account
- (i) more than 4 Banking Days before the Direct Debit Collection Date or
 - (ii) more than 7 Banking Days before the Direct Debit Collection Date for a new Direct Debit, including where you amend your bank details on your Direct Debit.
- The amount to be collected by Direct Debit will be reduced by the amount of any such additional payments made. Any additional payments made after the deadlines set out above will not reduce the amount to be collected by Direct Debit.
- (d) If an amount is paid in to or out of the Account in error, the Bank may make any necessary correcting entry to the Account without the need for approval from you. In certain circumstances the Bank may request your authority to recover a misdirected payment which has been credited to the Account. If your authority is not forthcoming, the Bank will provide such of

your details as may be required to the relevant payer in order to assist their recover of such misdirected payment.

- (e) You are not permitted to have a credit balance in excess of €20,000 on the Account and no payments should be made that would place the Account in credit above €20,000. At its complete discretion the Bank may process such payments but, if requested to do so by the Bank, you hereby agree to reduce any such credit balance in accordance with the Bank's request. Where you have been unable to reduce such credit balance within 10 calendar days of the Bank's request to do so the Bank may suspend the operation of the Account until the balance is reduced below €20,000. Notwithstanding the foregoing the Bank may, at its absolute discretion, refund any credit balance in excess €20,000 on the Account to you at any time.

Account Transactions

12. (a) You shall be responsible for ensuring the correctness and accuracy of all payment orders to the Account and the Bank will have no obligation to check whether the name of the Account or other information provided with the payment order is correct.
- (b) You agree that any incoming payment to the Account made by either you or a third party is determined solely on the basis of the BIC and IBAN or Account Number and Sort Code accompanying the payment. Where the BIC and IBAN or Account Number or Sort Code is incorrectly stated on any such incoming payment, the Bank shall have no liability for the non-execution or defective execution of the payment order to the Account.
- (c) Without liability, the Bank may refuse to act on any incoming or outgoing payment order if the payment order does not contain the BIC and IBAN, or Sort Code and Account Number, or any other necessary unique identifier of the beneficiary. In the event that the Bank refuses to process any such outgoing payment order, the Bank will advise you accordingly.
- (d) In respect of payments instructions, the date of receipt of such payment Instructions ("D") will, subject to any applicable Cut-Off Times, be that Banking Day where the payment instruction is received by the Bank. If the payment is in Euro, and the financial institution of the payee is located in the EEA, we will ensure that the financial institution of the payee will receive the payment within one banking day of D (D+1). If it is a crossborder payment in Sterling, or other EEA Currency (non-euro), and the financial institution of the payee is located in the EEA, we will ensure that the financial institution of the payee will receive the payment within three banking days of D (D+3). Where the payment instruction is submitted on paper, the processing time may be an extra banking day ((D+2) and (D+4)). Any other payment instructions may take longer to process.
- (e) In respect of payments into the Account, (credit payments), the Account will, subject to applicable Cut-Off Times, be credited with the amount of any such payment on the same Banking Day as the payment is received by the Bank, save where the date of receipt is not a Banking Day in which circumstances the Account may not be credited until the next Banking Day.

Disputed or Unauthorised Transactions

13. (a) The Bank recommends that you retain all vouchers/counterfoils to check them against their monthly statements. You must advise the Bank without undue delay, and no later than thirteen (13) months after the transaction date, of any unauthorised or incorrectly executed transactions. You may advise us free of charge via the Freephone number listed on our website www.bankofireland.com
- (b) In the case of a dispute between you and the Bank regarding a transaction, the books and records kept by or on behalf of the Bank (whether on paper, microfilm, by electronic recording or otherwise) shall, in the absence of manifest error, constitute sufficient evidence of any facts or events relied on by the Bank in connection with any matter or dealing relating to the Account.
- (c) In the event of an unauthorised transaction out of the Account, the Bank will, subject to 13(d) and 13(e) below, refund the amount of such unauthorised transaction and will restore the Account to the state it would have been in but for the unauthorised transaction.
- (d) Where such unauthorised transactions have resulted from the loss, theft or misappropriation of the Credit Card, PIN or 3D Secure Password and where it was reported to the Bank without undue delay you will be liable for such unauthorised transactions up to a maximum of €50, except where it was undetectable to you, in which circumstances you will have no liability.
- (e) Where any unauthorised transactions arise as a result of any fraud by you, or because you have failed intentionally, or because of gross negligence on your part, to fulfil your obligations under these Conditions of Use, you shall be liable for the full amount of such unauthorised transactions.
- (f) In the event of any incorrectly executed transaction resulting from the acts or omissions of the Bank, the Bank will refund the amount of such incorrectly executed transaction and will restore the Account to the state

it would have been in had the incorrectly executed transaction not taken place. If it is later determined that you were not entitled to the refund, the Bank will be entitled to recover it from your account without further reference to you.

- (g) If you use the 3D Secure service, such use will constitute acceptance of the terms and conditions of 3D Secure. These terms and conditions can be found at www.bankofireland.com
- (h) If you use the 3D Secure service, you agree that we can conclude that the transaction was made by you.
- (i) In the event we suspect or detect any fraud or unauthorised activity on your Account, we will advise you and/or the relevant cardholder via phone call, SMS message or email as appropriate. If we deem it necessary we may block your Account and/or any card issued on the Account and will advise you and/or the relevant cardholder of the block and how it may be removed.

d) How the Credit Card works PIN Machines & ATMs

14. The Credit Card may be used in conjunction with the PIN at an ATM displaying the appropriate Credit Card symbol. If you use the Credit Card to withdraw cash from an ATM, daily limits will apply. The daily limit is determined by us and we may vary it at any time. These amounts are available on request at any time. The transaction limit can also vary depending on which financial institution owns the ATM and date of use. We are not obliged to provide ATM facilities and do not have to notify you if we withdraw any ATM or limit its hours of use. The Bank shall not be liable for any loss or damage resulting from failure or malfunction of an ATM or a credit card.

Contactless transactions

- 14.1 (i) This clause applies when the Card has been enabled by us to allow you to carry out Contactless transactions.
- (ii) You can use the Card to make purchases for small amounts without using the Chip and Pin.
- (iii) When making a payment using a Contactless Card reader you must place your Card against the reader in the retail outlet. The Card will be detected and the payment is completed without you entering your PIN. From time to time, for your security we may ask you to conduct a Chip and PIN transaction in which case you must insert your Card and enter your PIN.
- (iv) There is a limit on the value of each Contactless transaction set by the MasterCard Scheme. Full details of this limit are contained in the Schedule of fees and charges for personal customers which is available at any branch of Bank of Ireland or at www.bankofireland.com

Retailers

15. You may use the Credit Card in conjunction with the PIN at a Payment Machine. To authorise a transaction the Cardholder must enter the PIN on the PIN pad attached to the Payment Machine. The amount of the transaction must be confirmed with the retailer at the time of authorisation. The PIN shall not be required to authorise a telephone, mail order or internet transaction, generally known as a cardholder not present transaction. The 3D Secure Password will be required to authorise online credit card transactions with participating merchants
- 15.1 If we authorise a payment for you to a Retailer this will immediately reduce the available credit on your Account by the payment amount.
- 15.2 Some Retailers will apply for a pre authorisation for a payment when you give them your Card number (for example, if you hire a car or book a hotel room). The pre authorisation amount will reduce the available credit on your Account.
16. In no circumstances will the Bank be liable for the refusal of a Retailer to accept or honour the Credit Card. In some cases it may become necessary for a Retailer to obtain specific authorisation from us to honour the Credit Card for a particular transaction even though the amount of that transaction is within your credit limit. If we give the Retailer such an authorisation, it will reduce the available balance of your credit limit.
17. Sometimes, as part of our system to protect you against fraud, we issue a "referral" message to a Retailer requiring the Retailer to contact the Bank to ensure it is you who have presented the Credit Card. If the Retailer fails to do so and refuses to process the transaction, we are not liable.
18. Where a Retailer wishes to refund you for a purchase you made using the Credit Card we will only credit the Account with the refund on receipt of a properly issued refund voucher or other appropriate verification of the refund by the Retailer and until so credited the Account will be payable in full. Refunds are not treated as payments made to the Account and therefore will not be reflected in the current statement amount due for settlement. The full amount due on the statement must be settled in the normal manner to ensure you maintain the interest free period and any refund received will be recognised and taken into account in the following Statement. We are not responsible for any goods and/or services that we do not supply. We will have no dealings with a Retailer on your behalf in connection with goods or services supplied by a Retailer.
19. Where you have authorised a Retailer to charge regular or recurring payments to your Credit Card, and you now wish to cancel that authority, you must send

a written cancellation notice to the Retailer, and should keep a copy of the letter. Without such a cancellation notice, the Retailer will remain authorised to charge payments to your Credit Card, and we will be unable to block or refund any such payments.

Limits & Rules Abroad

20. You can use the Credit Card outside Ireland. If you use the credit card abroad it means you are subject to the limits on card usage and to the laws and regulations applicable to the jurisdiction you are in.
21. The amount of any purchase or cash advance in a currency other than euro will be converted into euro at a rate of exchange determined by the Schemes. A Cross Border handling fee is payable on such transactions as is detailed on the Table of Rates, Fees and Charges which accompanies the application form for Credit Cards and also on the Table of Rates, Fees and Charges shown on the Credit Agreement.

If you lose the Credit Card

22. You must tell us immediately if the Credit Card is lost or stolen or if the PIN becomes known to any unauthorised person. Call Card Services 1890 706 706 or call +353 56 7757007 (if outside Ireland). You may also contact us free of charge via the Freephone number listed on our website www.bankofireland.com You must also confirm this in writing to us if we request you to. The Credit Card issued to you and any issued to any Additional Cardholder must not be used once you have given us this notification.
23. You must give us, or anyone we appoint to investigate, all available information as to the circumstances of the loss or theft of the Credit Card, or the disclosure of the PIN and/or 3D Secure Password and must take all reasonable steps to assist us, or any investigator to recover the missing Credit Card. We may need to give information concerning the loss or theft of the Credit Card to appropriate persons and entities and by applying for and accepting the Credit Card you consent to that.
24. If you retrieve a Credit Card which has been reported as being lost, stolen or liable to misuse, it must not be used but must be sent immediately (cut in half vertically through the Chip) to Bank of Ireland Credit Cards, PO Box 1102, Dublin 2. You must also confirm this in writing to us if we request you to. The Credit Card issued to you and any issued to any Additional Cardholder must not be used once you have given us this notification.
25. Once you have reported the loss or theft of the Credit Card to us, you will owe us nothing for any transactions carried out after your report.

If you need a replacement Credit Card

26. Generally, we will replace any Credit Card that expires or is lost or mislaid. We will not replace a Credit Card where you or we have terminated this Agreement or cancelled the Credit Card or for security reasons.

If you want to return the Credit Card

27. You can return the Credit Card to us at any time. You will continue to owe us money for the use of any additional Credit Cards on your Account so you should make sure you return those too. You should destroy all Credit Cards by cutting them in half vertically through the Chip. Send the Credit Card(s) back to Bank of Ireland Credit Cards, New Century House, Mayor Street Lower, IFSC, Dublin 1. Be aware that even though you return the Credit Card(s) you will still be liable for Government Duty relating to the Account. You should also ensure that you cancel any direct debits with third parties by writing to them. If you do not do so you will be liable for amounts charged to the account.

Termination

28. (a) You may cancel this Agreement at any time by sending a written notice to the Bank and provided you pay us everything you owe us in connection with the Credit Card and return the Credit Card.
- (b) The Bank may cancel this Agreement at any time on two months notice to you.
- (c) In addition to the general right to cancel as set out above, and without any liability to you, the Bank may cancel this Agreement or, at the discretion of the Bank, may immediately block the use or operation of the Credit Card if:-
- (i) you die or lose contractual capacity;
 - (ii) become bankrupt;
 - (iii) become insolvent (under Irish or other law);
 - (iv) you seek legal protection from your creditors or enter a composition or settlement agreement with your creditors whether under a statutory scheme or otherwise;
 - (v) you have failed security checks in a manner that the Bank deems unacceptable; or
 - (vi) there is a reasonable suspicion of unauthorised or fraudulent activity on the Credit Card; or
 - (vii) there has been a breach of these terms and conditions by you.
- Where any Credit Card is so closed or blocked, you will be notified and, where the Credit Card is blocked, you will be advised as to how the block may be removed.

- (d) (i) You agree that you will no longer be entitled to the features specific to the Student Credit Card Account on leaving fulltime third level education. We may allow you to have Student Credit Card Account features after you leave fulltime third level education. We are not obliged to do this but if we do, we will tell you when you are no longer entitled to these features.
- (ii) You agree that on the date that you are no longer entitled to a Student Credit Card Account, we will change your Account to our standard Credit Card Account or to another type of credit card account that we select for you. The terms and conditions for the account we select for you will then apply. We will write to you before we change your Account.
- (iii) You agree that if we do not enforce clause 28 (d)(ii) above or we delay enforcing it, it will not stop us from taking any action to enforce it in the future.

e) General Conditions

29. We recommend you read all statement inserts and statement messages as they often contain information of importance to you including notices of changes to this Agreement.
30. Where we owe you money we may set off the sum we owe you against anything you owe us in respect of the Credit Card, without your consent and without the need to notify you. Note: if you have any account in credit with us we owe the balance to you and it is covered in this clause. We may also combine and consolidate your accounts with us.
31. If we do not exercise our rights against you following a breach of this Agreement our rights do not change.
32. We will not be liable for any delay or failure in performing any of our obligations in respect of the Credit Card where it arises directly or indirectly from an Act of God, civil disturbance, industrial dispute or any circumstances beyond our control.
33. You accept that we may disclose information and details of the Account and related matters to person(s) who enter into a contract to provide services to us which help us provide Credit Cards to customers.

34. (a) We reserve the right to introduce new Terms and Conditions or to vary the existing Terms and Conditions including by varying fees and charges or introducing new ones. If we do so we will inform you of the changes in a way we deem appropriate. You will then be free to cancel the Agreement with us provided you pay us everything you owe us in relation to the Account. If you do not notify us that you do not accept the changes we will regard you as having accepted them when they come into force.
- (b) We reserve the right to vary any interest rate relating to the Credit Card and/or the Account.
